

We are very pleased to announce the addition of Margret O'Connor, FNP to the healthcare team at Shrewsbury OB/GYN, PC.

Margret comes to our practice from Labor and Delivery at UMass Memorial Health, where she enjoyed caring for laboring patients and their families for the past 8 years. She recently received her Master's Degree in Nursing from Salve Regina.

Margret's clinical interests include prenatal education, supporting positive birth experiences and maternal mental health, primary and preventive care focused on nutrition and lifestyle changes, and adolescent preventive health.

Thoughtful and detail-oriented, Margret brings a patient-centered approach to both her clinical philosophy and her daily practice. She prioritizes clear communication and invests time in building strong patient relationships to promote trust and deliver individualized, high-quality care. Her clinical experience spans cardiovascular surgical care, medical–pulmonary intensive care, IVF procedural services, and labor and delivery. Margret looks forward to applying her diverse background to provide exceptional care within our private practice.

Margret will be seeing patients in our office beginning on February 2, 2025. Please call 508-842-2010 today to schedule an appointment.
